DETAILED ACTION

1. This office action is in response to the communication filed on September 10, 2004

Drawings

2. New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because the drawings submitted on 05/15/2001 is of poor quality and not readable. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

Allowable Subject Matter

3. Claims 34 - 65 (re-numbered 1 – 32) are allowed over the prior art of record.

4. The following is an examiner's statement of reasons for allowance:

The prior art of record, either singularly or in combination, fail to anticipate or render obvious the recited feature "a computer-based method of facilitating and structuring the intake, investigation, follow-up analysis and reporting of adverse event and product complaint data: said method comprising:

associating each one of a selectable plurality of familiar popular terms with one or more related standardized terms;

providing a user interface having said selectable plurality of familiar popular terms and a related selectable graphical depiction to enable a user to: 1) reporting adverse events and product complaints data associated with said selectable graphical depiction, 2) reviewing said reported adverse event data for accuracy and 3) monitor said reported data; and

said user using said interface, selecting one or more of said selectable plurality of familiar popular terms and at least a portion of said selectable graphical depiction to describe an adverse event or product complaint associated with said selected portion of said selectable graphical depiction;

generating a standardized adverse event or product complaint report comprising said one or more related standardized terms associated with said selected one or more of said selectable plurality of familiar popular terms", as recited in the independent claims.

The dependent claims, being definite, further limiting, and fully enabled by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
